Rider Preference: (Please indicate days you will ride and group preference on Range Ride Registration and Payment Form)

Friday, October 26, will be the main push to move the bison from the southern portion of the Island to the handling facilities on the North end of the island. Saturday any bison left on the range will be moved to the handling facilities. Please be aware the last few years, the animals have been rounded up on the first day.

Riders will be broken into two groups, an aggressive group that will push the animals. The second group is for those wishing a more leisurely ride. This group will ride in a line, creating a “fence” to push any bison left behind. Groups will be lead by Sheriffs’ Posse members and Antelope Island’s Trail Patrol.

Chili Dinner hosted by Friends of Antelope Island (optional) (Please indicate the number of people who will be eating on the Range Ride Registration and Payment Form)

The Friends of Antelope Island, a non-profit organization whose mission is to enhance the visitors’ experience on the Island, will host a dinner on Friday, October 26 from 6 – 8 p.m. at the Fielding Garr Ranch barn. Although the dinner is free of charge, donations are gratefully accepted. For information on the Friends of Antelope Island, contact Neka Roundy at (801) 451-3286.
